

## Religion in Life®:

- is **Biblically based**
- helps children to **understand that God cares** for them
- gives some **understanding** of the stories, festivals and worship of the Christian faith
- links the **teaching of the Bible** with the **experience of the children**
- **complements** other classroom lesson themes
- **builds** on the Social Education and Personal Development Frameworks
- is designed for use with **multi-age and multi-ability classes**
- provides **colourful student workbooks**
- has **user friendly Teachers' books** with additional copiable worksheets
- **respects the children's rights** to hold their own opinion
